DF125RTF PARTS LIST

FOREWORD

When you are going to order parts you may take this booklet as reference but any differences please take the reality on vehicle as standard.

To find out the name, Item code or fitment you may check in the illustration with the size and appearance .Then with the no. in the illustration you will find out the name, item code and quantity.

There will no notice to you ahead of any change of the information in this booklet.
